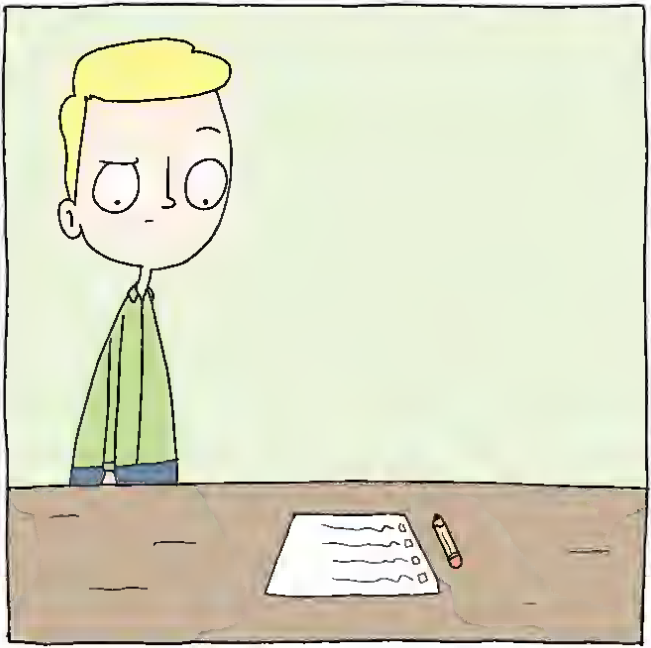
THE
GENTLEMAN'S
ARMCHAIR

ALRIGHT, TIME TO
PLAN THE DAY OUT.

wake up way too early
throw breakfast on floor
wipe sticky hands on all glass surfaces
throw 53 tantrums (new P.R.)
stain that new outfit mom got me (with raspberry, if possible)
spill milk on couch cushions
wipe my snot on dad's shirt
eat something dangerous
stick my fingers in some outlets
break dad's cell phone
do something cute so they think it's all worth it.

WELP, LOTS TO DO!
I BETTER GET TO IT!



...WHAT'S THIS?

...I... I KNEW IT.
